"The Spirit Of America" Chas.Curtis.

1

The Spirit of America,in this great War has won
For her undying fame for what she nobly quickly's done;
They call us now a Nation bold--our Flag they proudly name!
Symbolic of all that is great within the Hall of Fame!

2

The Spirit of America,is all that matters,now;
We made the others sacrifice--we made the others bow;
We took the Kaiser from his throne--we took away his pow'r--
It was America that won,in this decisive hour.

3

The Spirit of America, in this great War or Wars;
'Is something great to read about--we now bear honored scars;
Twas done by freemen,that we sent that others might be free;
No wonder it inspires us to sing of victory!

4

The Spirit of America,is in her soldier boys;
They are the ones who BUILD the world that other foe destroys;
They live up to the Standard of our Fathers' Victory--
And ever in our Hearts we keep so green their memory.

5

The Spirit of America has untied all hard knots;
We know the time to start and we know just the time to stop;
And when Our Country needs us we are there to do ~~XXXXXX~~ our part;
So,write us up in History as folks who have a heart;

6

The Spirit of America, made war for Destiny;
Our Nation it was ready andit won the victory;
So,celebrate this great event,around the whole wide world
For now they KNOW America,where'er our Flag is unfurled.
