"To Our Sammies" Mrs.Phebe McDonald Steed.

Now,boys,don't feel a shame since you are in the game,
Don't hesitate to take your Uncle's name;
I know he's calld on you to lick the Kaiser blue,
But do not think your Uncle Sam's to blame.

2

Our Uncle does commannd a nation great and grand
And he has brave boys with him,by the score;
The Kaiser he will show that he will have to go,
And that he cannot snub us any more.

3

Our Uncle's got the grit,he never yet has quit,
He's never has a thrashing--am I right?
The Germans he will show and show em good,--we know--
The very latest way to win a fight.

4 5

For Uncle Sammy's harnessed for the fray;
If you want to beat us well,you'll have to learn to pray;
The one word Peace,and spell it right away.

5

You'd better ask for terms,or you'll be food for worms

Before another day has gone to rest;
For we have got you right,and we are there to fight--
So let that little fact get to your chest.

over.

5

Your mother's proud of you--you battling boys in blue--
Her prayers will help you win,so I dare say;
She'll think alone of you,by night and by day too--
Just think of her,my boy,when you're away.

6

So let the Old Flag wave o'er ev'ry Sammy,brave;
To save his country,he is glad to fight;
And of your Uncle Sam,don't ever be ashamed--
And let the Old Flag wave forever bright.

7

And when the war is done,and Germans all have run
We'll think of you,dear boys,so brave and true;
But Dear Old Uncle he will have our love,you see--
For all the noble deeds that He hasdone.

CHORUS.

So,don't be ashamed to fight for Uncle Sam!
Don't hesitate that Old Flag to salaam;
Just show the Germans that they are not a sham--
And don't be ashamed to fight for Uncle Sam.
