"We.AtHome,Must Do The Rest"

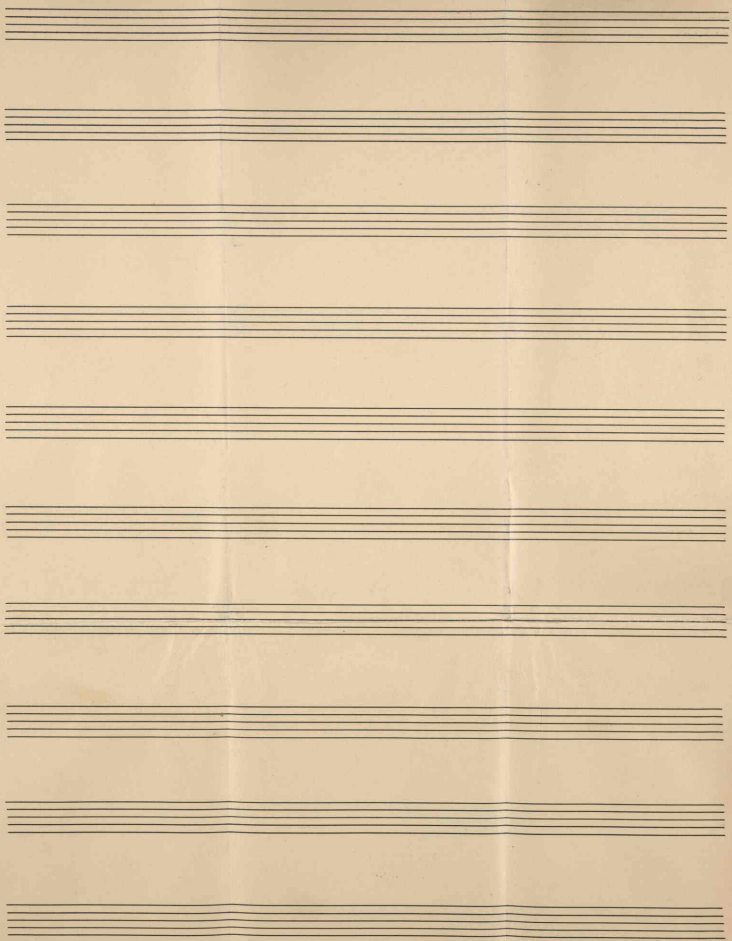
Sara E.Morris.

1

From our homes loved ones are going;going to our Country's call;
And our hearts are sad in knowing that they may be first to fall;
They arefighting for World's Freedom,far across the ocean's foam;
And wemiss them,how we miss them! loved ones going from our home.

CHORUS.

From our homes the loved ones are going;one by one like leaves that fall;
Ever going,softly going,answering our Country's call;
Dreavest hearts and truest courage fills each loving manly breast;
They are fighting in the battles, we, at home, must do the rest!

2


From our homes loved ones are going,leaving us alone to sigh;
And our eyes are dimmed with weping,as we bid them all good bye;
Laughing eyes,determined faces,from us evermore depart;
Loving lips and warm embraces,how we miss them from our heart!
