"When They Have Downed The Kaiser"

Sarah Hoover.

1

Hurrah for Uncle Sammy's boys who've gone across to France!
They'll down Old Kaiser Bill, you bet, and he wont get a chance!
And then how happy we will be, when they return again,
When they have downed the KAISER!

Chorus.

Hurrah! Hurrah, for Pershing and his boys!
Hurrah! Hurrah, we're going to win this war!
And then how happy we will be when they return again--
When they have downed the Kaiser!

2

Oh, how our Allies shouted when our boys they reached the coast;
Twas then they knew it was the truth and not an idle boast;
That Uncle Sam would keep his boys right over there in France--
Until they have downed the Kaiser!
