## PRAYER.

U.S. 1917.

G. F. W. BRUHNS.

1. Lord God, we with Thee ab - hor Hate and ar - ma - ments and war;  
 2. In Thy fear and in Thy name We have guard-ed Free - dom's flame,

Yet we take the go - ry way, And our swords are drawn to slay!  
 Kept Thy law, up - held Thy right - For their tri - umph now we fight!

3.  
 Wives and babes and native land -  
 These are blessings from Thy hand,  
 These our enemies assail!  
 These will perish if we fail!

4.  
 Soon upon us bursts the fray!  
 With Thy might the battle sway!  
 Gird us with Thy strength, O Lord,  
 That the soul may crush the sword!

5.  
 Help us break the captive's chain!  
 Heal the stricken, through our pain!  
 Pay in full the tyrant's price,  
 Lord God, with our sacrifice!
