BATTLE-CRY OF WORLD-LIBERTY!

Lyrics by Miss DeKonza (E.M.DeKonza)

Rally we united,
With our honor plighted
That all mankind soon shall be safely free;
With our purpose steady,
Hearts for service ready,--
Shouting the battle-cry of WORLD-LIBERTY!

Nothing we've been sparing,
Rage of foemen daring,
Suffering the sword, the shell, the flame, and the sea;
We with conscience free are
Trusting God while we are
Shouting the battle-cry of WORLD-LIBERTY!
