I.

Hurrah! Hurrah! America.
Hurrah for Uncle Sam,
The only Land can win the War
With no fear and no blame.
He freed our Land from Slavery,
Will free the World from Wars.

Refrain: Hurrah! Hurrah! America
Hurrah for Stripes and Stars.
Hurrah! Hurrah! America
Hurrah for Stripes and Stars.

II.

We all must help to win the War,
On land and on the sea.
You Boys and Girls pick up your arms
And fight for Liberty.
Fight on, Fight, on for Victory
Fight till the world is free

Refrain: Hurrah! Hurrah! America
Hurrah till the World is Free
Hurrah! Hurrah! America
Hurrah till the World is Free.

III.

Like Oceans roll along our shores,
Our Boys roll cross the Sea
To show the World what we stand for
To make the whole World free.
That every one can live in it
Is all our countrys Plea.

Refrain: Hurrah! Hurrah! America
Hurrah for Victory.
Hurrah! Hurrah! America
Hurrah for Victory.

III.

We all must fight to End the War
And stand by Uncle Sam.
He has to beat the Autocrat
And let him bear the Blame.
The World will all turn Democrat
And we will all be free.

Refrain: Hurrah! Hurrah! America
Hurrah for Liberty!
Hurrah! Hurrah! America
Hurrah for Liberty!

Hurrah Hurrah America Hurrah for Uncle Sam
