# Old Satan Gets the Hun

Words and Music by  
CHARLES LOUIS CARRIE

The piano introduction for the first system consists of two staves. The right hand plays a series of chords in a 2/4 time signature, starting with a treble clef and a key signature of two flats. The left hand provides a bass line with chords, starting with a bass clef. Dynamics include *mf* and *f*.

The first system of the vocal line and piano accompaniment. The vocal line is on a single staff with a treble clef and a key signature of two flats. The piano accompaniment is on two staves (treble and bass clefs). The lyrics are: "How'd you like to see the Kai - ser, of all the Huns the How'd you like to take the Crown Prince up in a Zep - pel -". Dynamics include *mf*.

The second system of the vocal line and piano accompaniment. The vocal line continues with the lyrics: "worst, Pumped so full of mus - tard gas that he'd swell up and in, Sail to mid - At - lan - tic, push him out and watch him". Dynamics include *f*.

The third system of the vocal line and piano accompaniment. The vocal line continues with the lyrics: "burst? How'd you like to see Old Bel - ze - bub go calm - ly where he swim? How'd you like to see a school of sharks rush at him pell -". Dynamics include *f*.

fell, Gath-er up the pie - es and cart them off to well.....  
 mell, Feast-ing, off Prince Wil - lie, the remnants sink to well.....

CHORUS

To a place that's called Ge - hen-na, it's hot-ter than the sun, It's ruled by Old Man

Sa - tan, and hell warm up the Hun. It's a place that is just fit - ted for that

rav-ish murder pack, And well give them all a passport and..... they never will come back.

3.

How'd you like to bounce a dumbbell from off the Hapsburgh bean?  
 And gently prod the Sultan with a harpoon very keen  
 How'd you like to hear Old Lucifer give a delighted yell?  
 While these two he's roasting in the great pit in-well -

4.

How'd you like to bend a crowbar around Von Tirpitz's cap?  
 And wipe the whole of Prussia completely off the map?  
 How'd you like to take her leaders, lock them safely in a cell?  
 Fill it up with powder and blow them all to - well -
