4.

Settled this land with plow and gun;
We've made it plain by whom it's run;
The low down, dollar, Yankee nation;
And this we put to every man;
Now, are you an American?
The low down, dollar, Yankee nation;
When through our gate for immigration,
We find has come some hyphenation,
We waste no time in exhortation;
The less they'll get is deportation.

CHORUS

We just plug along; It never pays to worry;
We just plug along; It sometime pays to hurry;
Well, you'll get the general plan,
If you'll travel 'round the land,
Of the low down, dollar, Yankee nation.
