The musical score is written for Soprano, Alto, Tenor, Bass, and Piano. It begins with a tempo marking of 'Tempo di Marcia'. The vocal parts (Soprano, Alto, Tenor, Bass) have lyrics, and the piano part provides accompaniment. The lyrics describe the departure of Brother Jonathan from his home in Maine to the West, specifically mentioning Oregon and the cotton zone. The score includes three verses of lyrics, with the first verse being the most prominent.

Two Medium-Voice Songs by the Same Author

"THE MOHAWK"

The Mohawk Valley is one of the most beautiful areas in America, and in this composition the emotions produced by the fascinating landscape pervade the happily blended words and music of the song.

"Where the Columbines Grow"

has been adopted by the Colorado Legislature as the official State song. The spirit of the great romantic West is suggested in every line of verse and every strain of music in this production.
