Title "when 'Bill takes off his hat"

AUG -7 1918

"Each day the papers give account-
Of the war of many nations.
Kaiser 'Bill and 'Johnny Bull'
With all their mixed relations.
'Uncle Sam' was neutral,
And he remained so too,
'Till Germany took lives so dear
To the old Red White and Blue.

2nd verse

"Now Uncle Sam is very wise,
And very generous too,
But when he tells them to lift up
It's a thing they'd better do.
For our Germans and our Irish
And other nations too,
Will fight against the Fatherland
For the old Red White and Blue.

=Refrain Chorus=

Chorus

'America, America'
So loyal and so true.
America America
She'll fight for honor too;
For our brave American soldiers
who are fighters throug and through
Will mak old 'Bill take off his hat-
To the old Red White and Blue.
