CHORUS
We're off to the front, boys, we're off for the fray, We'll fight for our country, This
crit - i - cal day, Tho shells may ex - plode, boys, and com - rades may fall, We
nev - er will fal - ter at our country's war call. Then raise the flag high - er, boys,
high in the air, And sound forth the fife and the bu - gles loud blare, For
now with the tramp, tramp, tramp, We're off to the front.
