A bold man there is who would conquer the world, And spread the doctrine
He would trample souls that dare come in his way, Es-tab-lish mon-ar-

of Kul-tur and might; He's the Kai-ser of Ger-man-y
chy and rule by might; But the good Lord a-bove us, who

cru - el and bold, Who has no re - spect for jus - tice or right.
sees his great crimes, We'll show that wrong shall not tri - umph o'er right.

CHORUS

With faith in our cause, We'll go o - ver the sea, And face the

beast of Ber - lin; _____ We'll face him, and fight him, Please

God, we will beat him, Then A - mer - i - ca we'll come back a - gain.
