Were the Yan-kee
Did the Yan-kee

boys in time, Yes the Yanks were all in time For the drive a - cross the Rhine
boys come home Yes the Yan-kee boys came home, From a - cross the migh - ty foam

Where they drove the squeak - ing swine With their u - sual haste and speed Gen - 'ral Per - shing
Ne - ver more they'll have to roam; With a shin - ing ea - ger face And a long and

in the lead On a gay and pranc - ing steed, Yes the Yan - kees were in time,
lan - ky grace, With a fast and no - ble pace Yes the Yan - kee boys came home.

REFRAIN

Did the Yan - kee boys come back Yes the Yan - kees

all came back When the fight - ing there grew slack

With their packs up - on their backs And with clear and

shin - ing eyes Lots of gin - ger, lots of pep And a

quick and bound - ing step Yes the Yan-kee boys came back.
