Con espressione

Last night as I lay dream-ing, Ere I lay me down to rest, I
Last night was full of sad-ness, But the morn-ing brought good cheer; It

saw my sol-dier boy lie bleed-ing With a cru-el wound in his breast; Then I
brought a mes-sage full of glad-ness From my sol-dier boy so dear; He wrote

cresc. *p* *rit. e dim.* *a tempo*

cried in my an-guish and sor-ow, "O God, pro-ect my boy, And
that he had just been pro-mot-ed, And he'll make a good corp'ral too, His

bring him home to his lov'd ones To be their pride and joy."
heart's in his flag and his coun-try, And to them he'll ere be true.

CHORUS

Tempo primo

For he's way off to fight the foe, Oh, I shall miss him

so, My sol-dier boy it fills my heart with woe, He

felt he had to go At his coun-try's call you know, So I

said, "God bless you, boy, If you must go!"
