f

Good luck to Yan-kee sol-diers, Our war-riors strong and free, A
God help the Yan-kee moth-ers, Whose sons are on the sea, And

brav-er set of help-ers Ne'er crossed the deep blue sea. They
give them hope and cour-age To bear their mis-er-y. No

shrink not from their du-ty, When coun-try gives a call, They
sweet-er name than moth-er, The lips of man e'er passed, So

b

fight for right, with all their might, God bless them, one and all.
let us work to - geth - er, Then as long as life shall last.

CHORUS.

Three cheers for our Yan-kee sol-diers, Whose love ex -

cel all oth - ers, They en - ter strife, 'tis a

sac - ri - fice, They lay down their life for their broth - ers.
