INTRO.

Right on to the front boys that's the place Where we'll make Kaiser Bill blue in the face.
We have got our shoulders to the wheel And we in-tend to get old Kai-ser Bill.

When he sees our Yankee boys a-coming on the run Chasing Von Hin-den-burg the leader of the Hun.
When Von Hindenburg and Ludendorf wake up to see Our boys a - com-ing, they'll get right down on their knees.

Hell know we are from the U. S. A. And hell find out we're in this war to stay
With a pray'r they'll ask this war to cease Si-lent-ly thanking us for bring-ing peace

Come, let's lose no time fall in to line' Help drive old Kai-ser Bill back of the Rhine. —
Put a - way the gun back home well turn To join the feast of conquer-ing the Hun. —
