JACKIE BLUES

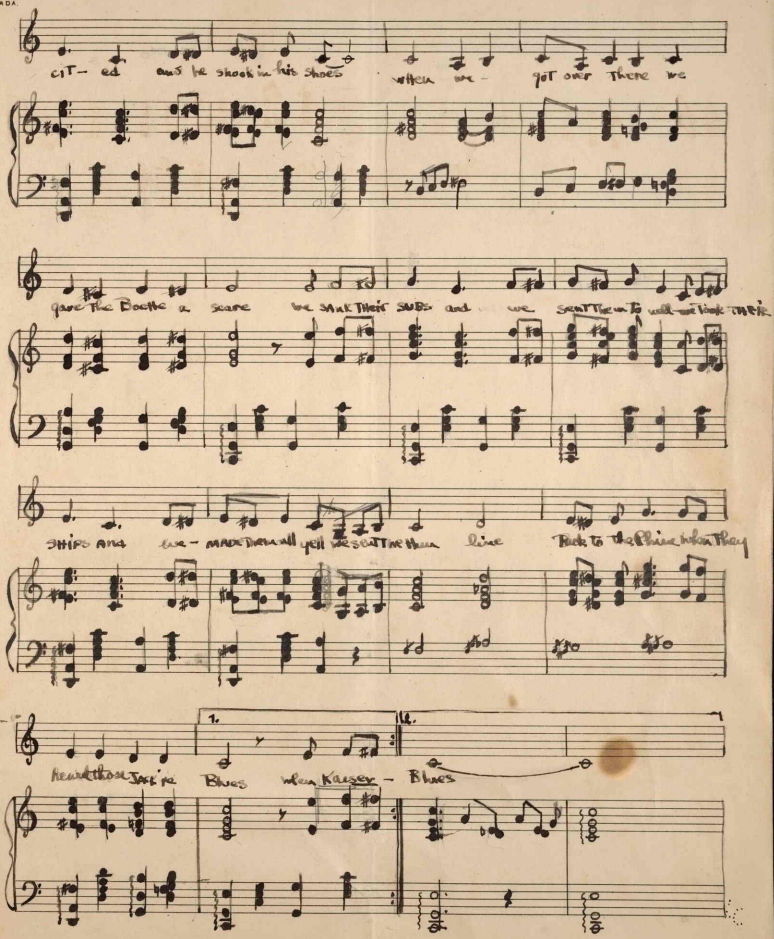
THEODORE PRESSER CO.
PHILADA.



Words –

Verse

We had to go – to prove us worthy
Of sprinkling for the U.S.A.
And when our boys marched into Berlin
This is all you heard them say –

Chorus:

When Kaiser Bill heard those Jackie Blues
He got excited and shook in his shoes
And when we got over there
We gave the Boche a scare
We took their ships and we sent them to – work
We sank their subs and we made them all quit
We sent the Hun line back to the Rhine
When they heard those Jackie Blues.
