as she clasped me by the hand These words she said to me:
a - mid the - can - non's rat - tle, I seem to hear her say:
CHORUS.
"Sure we was - n't read - y, But keep it in your mind Our
aim is true and stead - y And hard to beat they'l find;
Ir - ish hearts are hap - py, We're loy - al, yes we are,
Sure we'll give them taf - fy, We're going to win the war."
