The Bon Bon Buddy Boys. ✓

Words By
 William Jerome.

Music By
 Archie Goettler.

Just see that crowd
 Hollering loud
 America Bowed
 Dark Town is proud
 Dear old Mammy's losing her frown
 Colonel Haywards Boys are in town.

Chorus

Bon Bon Buddies here they come
 To the patter and the chatter of a ragtime drum
 Soldiers that am peaches and jam
 They brought the bacon home to Uncle Sam
 Helped to pay that little debt
 We owed France and Lafayette
 And America will not forget
 Those Bon Bon Buddy Boys.

Fiberty pop
 Skip and a hop
 Over the top
 They didn't stop
 Danced right into every attack
 you'd think they were Ballin the Jack.
