CHORUS
Think of the joy when the boys come home, When the boys come home, when the
boys come home Hearts that are sad will then be made glad When the boys
come home For ev-'ry tear we've shed there'll be a smile in-stead, There's al-ways
sun-shine af-ter rain And we all will feel so hap-py for the sac-ri-fice we
made When the boys come home a-gain. gain.
