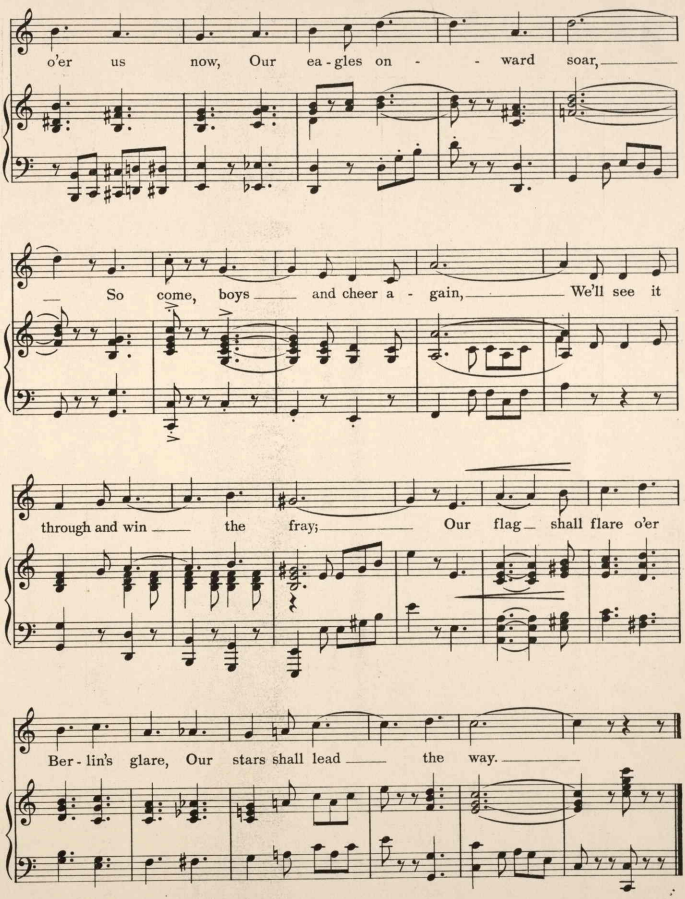
Then we are going to show the Huns, What lads the Yan-kees be; We'll
We will ad-vance by land and sea, Our glor-ious flag we'll raise, They'll
break their line, And cross the Rhine, To con-quered Ger-ma-ny.
turn to run, When we've be-gun, And right will crown our days. Now
Refrain
cheer, boys, and cheer a-gain, And all to-geth-er now,
once more; Our flag is wav-ing



o'er us now, Our ea - gles on - - ward soar,
So come, boys and cheer a - gain, We'll see it
through and win the fray; Our flag shall flare o'er
Ber - lin's glare, Our stars shall lead the way.
