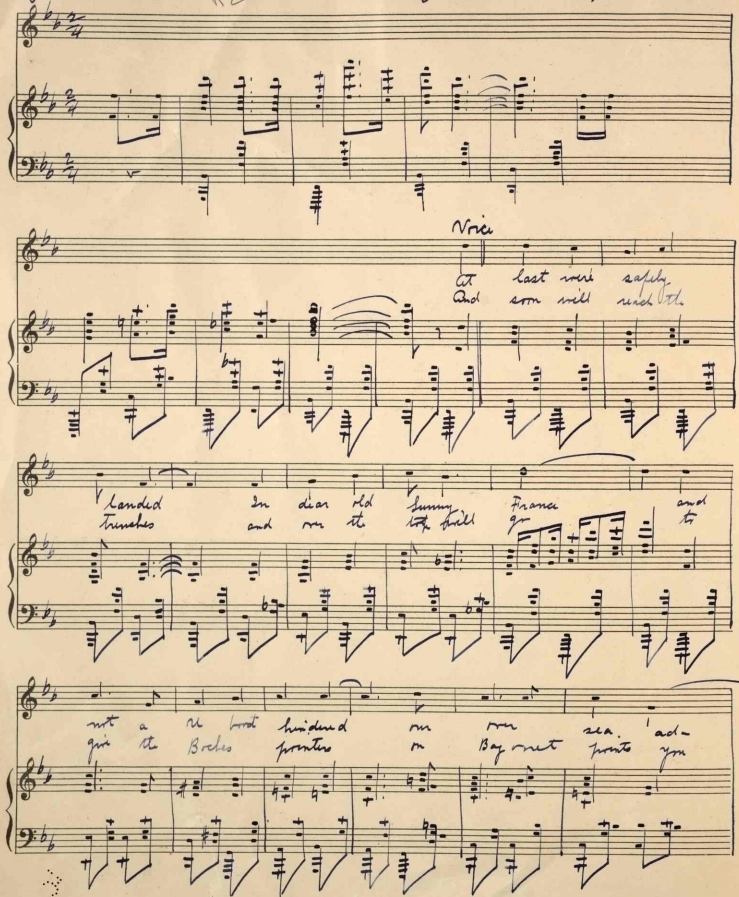
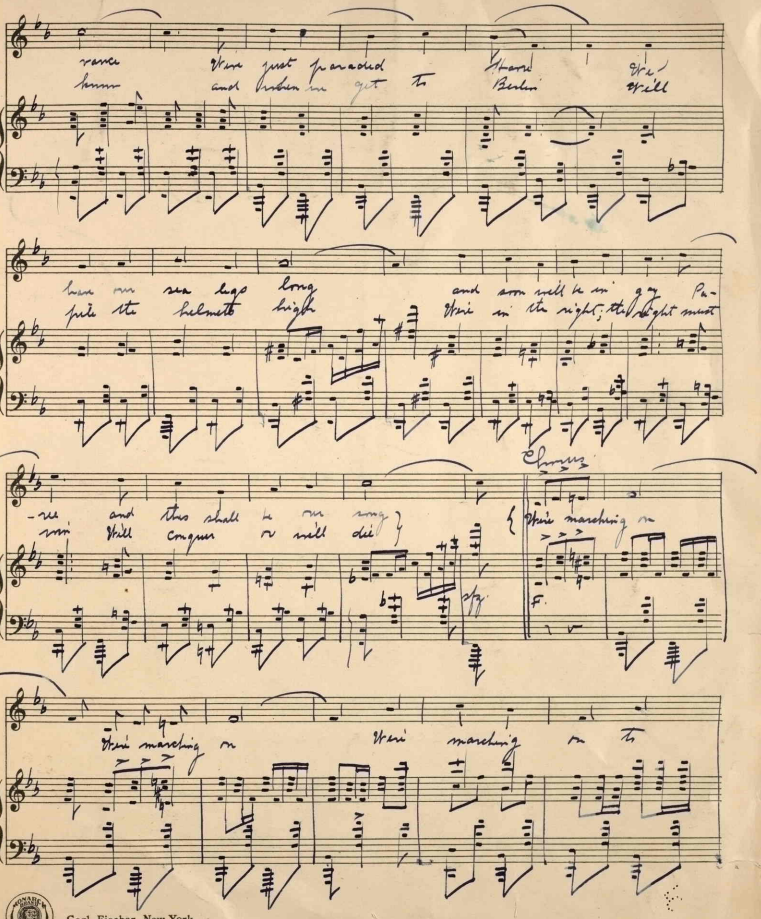
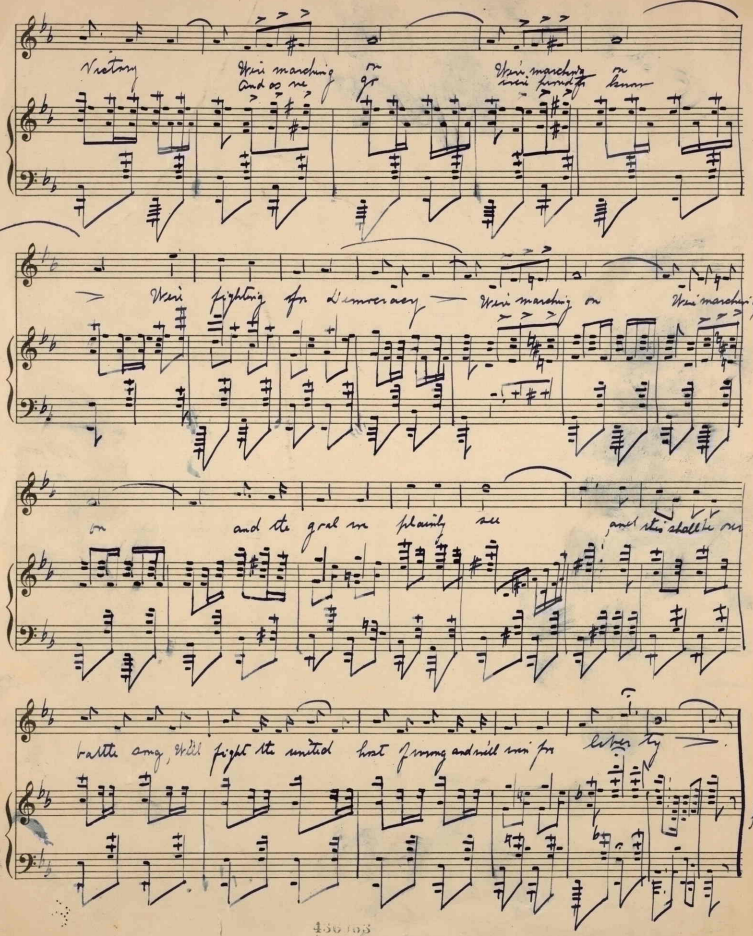
"Here Marching On"

Music by Frederick Emory





Carl Fischer, New York.
No. 10–12 lines.



Victory
We're marching on
And so we go
We're marching on
We're marching on
We're fighting for democracy
We're marching on
We're marching on
on
and the goal we plainly see
and this old flag we
battle cry, We'll fight the united host from sea and will win for
liberty
