2nd Verse

Come across the water, boys,
Don't you hear the guns!
They're raining leaden bullets
On the weak and little ones!
They're robbing every country
Of its fathers & its sons,—
Down with tyranny forever!

3rd Verse

Come across the water boys,
Bring "Old Glory," wide;
Fight them as their fathers fought
For freedom side by side;
Front them with a vengeance
The ones who nobly died;
Down with tyranny forever!
