ser - vice flag for the world to view May be naught but a smile of cheer, — To

bears a star of gold - en dye, In - stead of a star of blue, — My  
soothe oth - er hearts as torn as mine, Or dry a fall - ing tear, — My

ser - vice flag for my sol - dier boy Is a thing from the world a - part, — My  
heart is fly - ing a ser - vice flag That is not for the world to see, — You

grief and pride is that star of gold, That's blaz-on-ed on my heart.  
gave our coun-try your high-est gift, And wait in Heav'n for me.
