BOYS WE'RE GOING THROUGH

Soldiers Verses

1

When the German Hordes swept over Old France
And crushed poor Belgium too
Our Uncle Sam tho' far away, says
We surely will get you
When the iron fist struck the U. S. A.
He said "Now your time has come"
We've got the men, we have the dough
Now we're going to get the Hun.

2

We'll all soon sail for Old Germany
We're coming ten million strong
We'll put an end to autocrats (Kaiser Bill)
And you bet it won't take long
We'll set Old Broadway in Berlin
We'll then make a Coney Isle
We'll name the Rhine the Hudson boys
And make those Dutchmen wild.

Queen of the earth you see, In a kingdom of

mark the triumphs 'round her name, She knows all our needs, so

love she'll hold her sway, Man's guide she al-ways will

why won't we please, The lit-tle Suf-fra-gette Queen?
