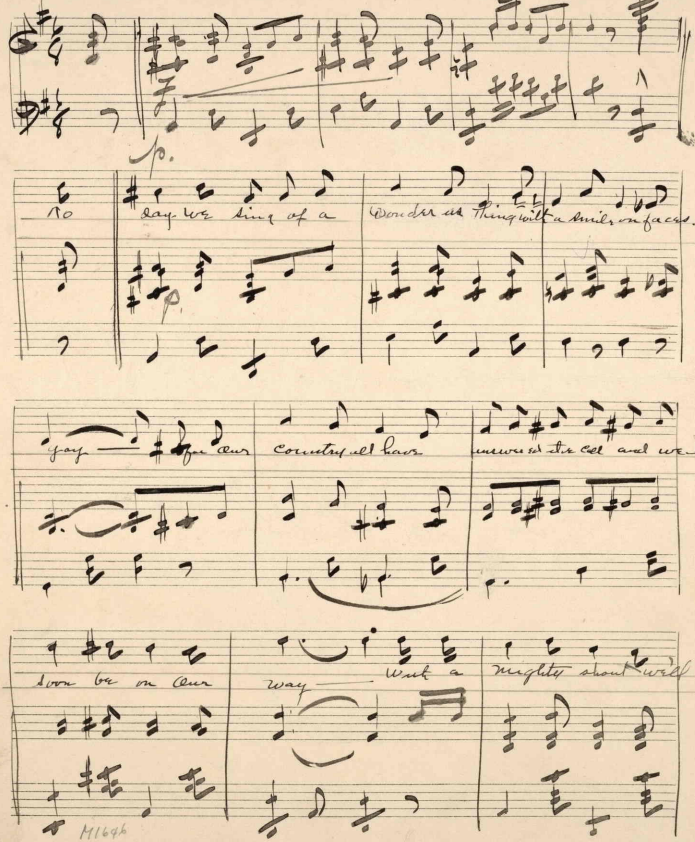
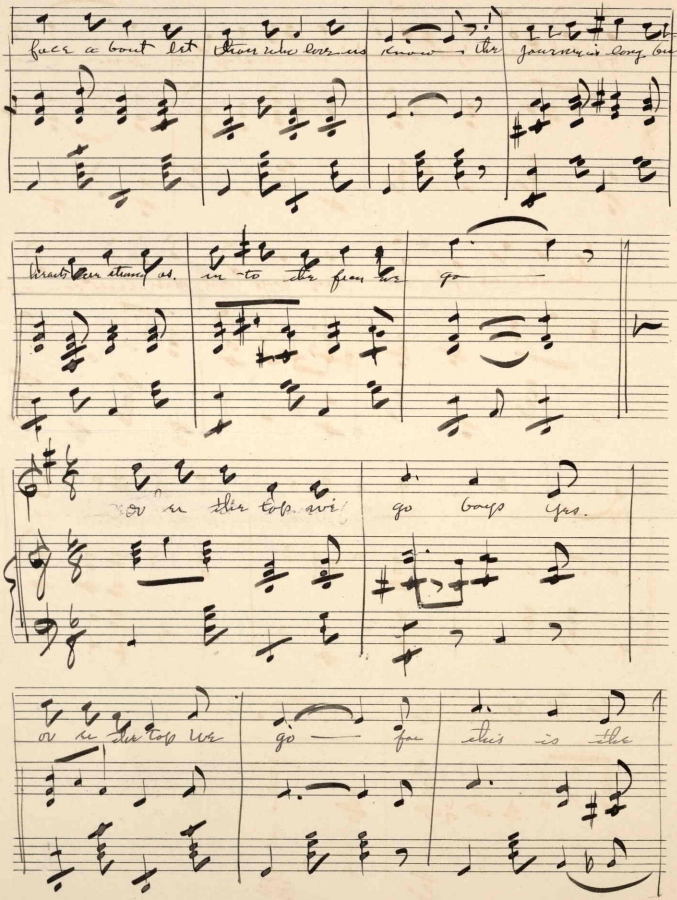
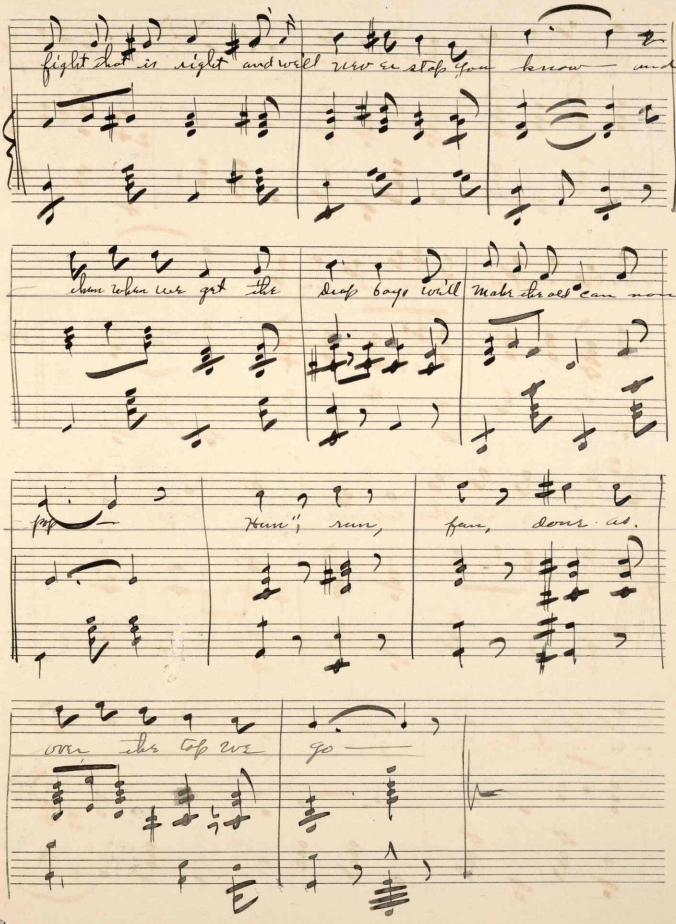
The Touring Yankees



M164k
UNIVERSAL No. 3



face a bout let
those who love us
know the
journey is long but our
hearts are strong on
in to the fray we
go
for in this top we
go boys yes
for in this top we
go for this is the



fight that is right and will never stop you know and
then when we get the drop boys will make the axes come
up run, run, fun, down as
over the top we go
