AL-though I've roamed this wide world o'er, and nev'er
I NEV-ER shall for-get the day, I had to

KNOWN A fear ——— I'm glad to be back home A-
SAY good-bye ——— And when I gave her that last

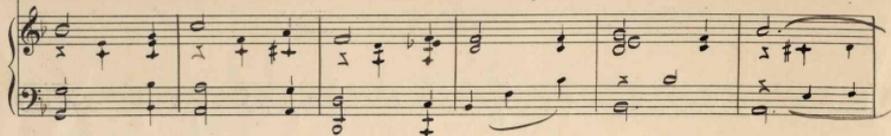

gain, be-side my moth-er dear ——— 'Twas her sweet
Kiss, A tear stood IN her EYE ——— She said "my

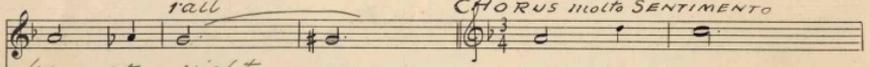

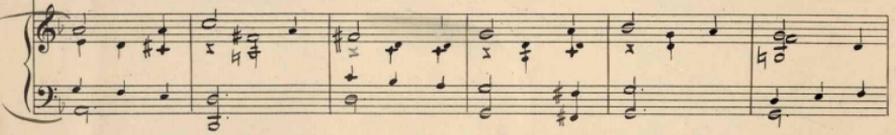

smile that cheered me on, and helped to keep me right,
boy you're all I leave, 'Tis hard for us to part,

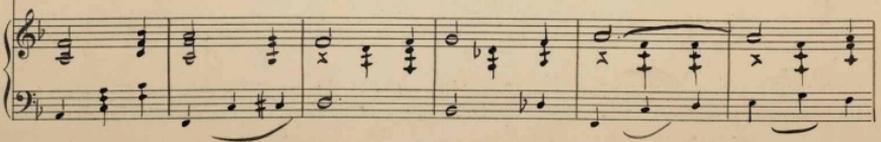

I thought of her through all the day, and prayed for
But you must go where duty calls, al-though it

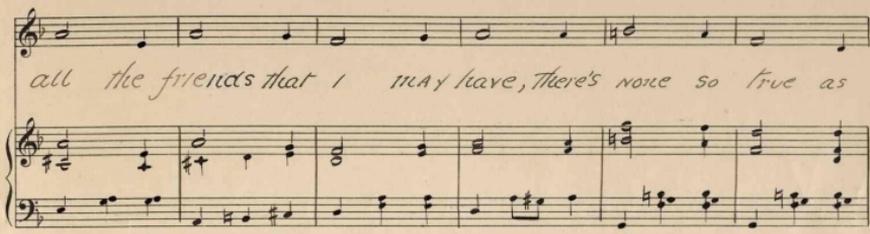

her at night, —————
breaks my heart ————— Mother dear,

moth-er dear, you're all the world to me ————— of

all the friends that I may have, there's none so true as

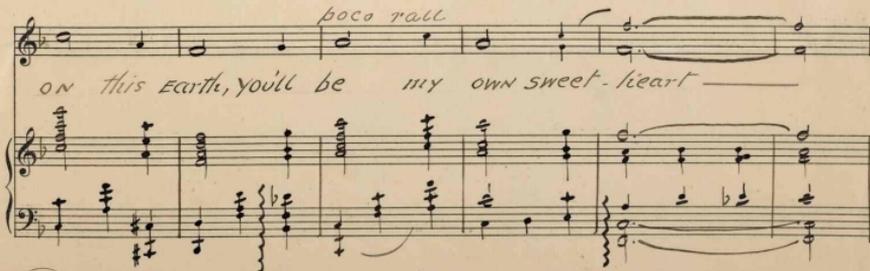

she ———— *mf* moth-er dear, moth-er dear, from

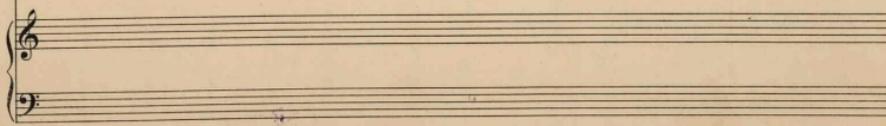

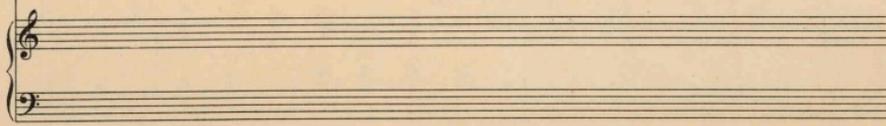

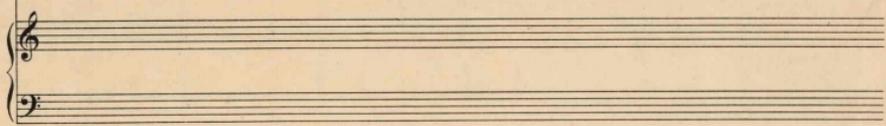

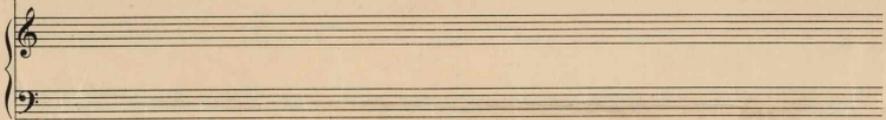

you I ne'er will part ———— As long as we are

poco rall. on this earth, you'll be my own sweet-heart ————

MOTHER DEAR

Although I've roamed this wide world o'er
And never known a fear
I'm glad to be back home again
Beside my mother dear
Twas her sweet smile that cheered me on
And helped to keep me right
I thought of her through all the day
And prayed for her at night.

Chorus

Mother dear, mother dear
You're all the world to me
Of all the friends that I may have
There's none so true as she
Mother dear, mother dear
From you I ne'er will part
As long as we are on this earth
You'll be my own sweet heart. "

I never shall forget the day
I had to say good bye
And when I gave her that last kiss
A tear stood in her eye
She said "my boy you're all I have
Tis hard for us to part
But you must go where duty calls
Although it breaks my heart."
