DEMOCRACY FOR EVER
" Woodrow Wilson You'r the Daddy of them all"

Words & Music
By
Jas Burns Leonard

1st Verse

America! the world is proud of you
And the boys of the Red White and Blue
You'dd a wonderful thing,
Now let the Welkin ring
There is nothing too good for you;
Along the Firing Line, you did your work so fine
While Chasing U Boats from the Sea,
The KAISER Will go off his Noodle
When the Land of Yankee Doodle
Makes him Respect DEMOCRACY

DEMOCRACY! for ever we will never let them sever,
The Old Red White and Blue
For it has stood the test, it is the very best;
It is the Flag for me and you
And we take off our Hats to Uncle Sammy;
While his Soldier Boys and Sailors Call
DEMOCRACY! for ever and for ever,
Woodrow Wilson, your the Daddy of them all.

= 2nd Verse =

We'll add just one more page to History
For Our Own General Pershing 'Twas He
Who marched from Mexico, Across the Sea to go
For the cause of Humanity,
And with him took along, about a Million Strong
From the Land of "Liberty"
And they wont lay their Rifle's down
Untill the KAISER gives his Crown
To Wilson Just for Security.
