rulers must be forced to understand That militarism's days, Are
those to whom life has nt been so sweet. Why are we sending our brave boys, To
drawing to a close; Autocracy will have to go as well. The
fight across the sea? Why in to France is pouring out Red Cross? The
U.S.A. is in the fray, The plan that we propose Will draw us nearer Heaven, And
answer to these questions is as plain as plain can be; The reason that we do it, Is

live in, Or else we might as well not live at all. Dem-oc-ra-cy gives ev-ry one a
look in, It matters not if you are great or small. Dont mere-ly do your bit; do all you're
a-ble, This is a fight that we have got to win. When the vic-to-ry is won, By the
cresc
down-fall of the Hun, Then this world will be a de-cent place to live in.
