Scope and Content

The 1993 Neptune Plaza Concert Series Collection consists of manuscript and print materials, sound recordings, graphic materials, and moving images that document the 1993 concert series sponsored by the American Folklife Center. The annual series, which began in 1977, features the presentation of folk traditions from many cultures. The concerts take place on the Neptune Plaza at the front of the Jefferson Building of the Library of Congress between April and September. Adverse weather conditions sometimes force the concerts indoors.

The 1993 season consisted of the following:

April 15	Master Performers and Their Apprentices	District of Columbia	Northern Indian, Begali, Jamaican, and Gospel music
May 20	Traditional Irish Music and Dance - Tom and Maureen Doherty	New York and Pennsylvania	Traditional Irish music and dance
