Scope and Content Note

The Charles McLean Andrews Collection Concerning Colonial History consists of transcripts of manuscripts in various repositories in England and spans the years 1623-1800. The materials were accumulated by Andrews for use in his writings on American colonial history and cover admiralty courts and cases, trade, and political matters. Andrews authored *Lists of Transcript from the British Museum and the Bodleian Library . . .* (Washington, D.C.: Carnegie Institution of Washington, 1908) that lists the transcripts acquired by the Library of Congress.
