### The Hair Mode of the Modish

"The Bandeau" Coiffure—unlike many Hair Pieces—does not confine your Hairdressing to any one arrangement. "The Bandeau" Coiffure allows you to dress your own hair in any way you wish—Parted or Pompadour—yet it still retains an individuality of style distinction.

Either in Twist or Braid form, combined with Bandeaux of hair which can be arranged so as to set off the charms of youth or the graceful dignity of the mature woman.

We guarantee so perfect a matching of color and texture that the Hair Piece becomes a part of your own hair. "Fifty-three Years of Success" to vouch for this guarantee.

Departments in Hairdressing, Massaging, Manicuring, Hair Coloring—all done by expert attendants. Hair Singeing by electricity. Chiroprody by Woman Surgeon. Hair and Scalp Treatments, also Superfluous Hair Removed, by a Regular Physician.

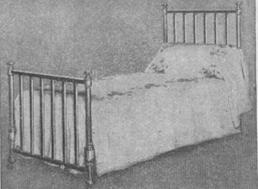

Send for "A Book of Modes."
