How to Arouse a Sluggish Skin. Just before retiring, wash your face and neck with plenty of Woodbury's Facial Soap and hot water. If your skin has been badly neglected, use a flesh brush, scrubbing it for about five minutes until the latter makes it feel somewhat sensitive. After this, rinse well in warm, then cold water. Now rub your skin five minutes with a lump of ice.

Woodbury's Facial Soap is the work of an authority on the skin and its needs. This treatment with it cleanses the pores, brings the blood to the face and stimulates the fine muscular fibres of the skin. You can feel the difference the first time you use it.

Woodbury's Facial Soap costs 25c a cake. No one hesitates at the price after their first cake.

A PERFECT FIGURE MAY BE YOURS

Your appearance depends greatly upon your figure. The beauty of your figure depends largely upon you.

How to Perfect Your Figure, Reduce or Increase Your Weight. Devote fifteen minutes daily to my system and you can weigh what Nature intended. You can reduce any part of your figure burdened with superfluous flesh or build up any part that is undeveloped. It can be concentrated on your hips, waist, limbs or any other portions of your body.

It tends to make a figure perfectly proportioned throughout—a full rounded neck, shapely shoulders, arms and legs; a fresh complexion; good carriage, with erect poise and grace of movement.

You Can Improve Your Health. My system stimulates, reorganizes and regenerates the entire body. It helps transform the food into good, rich blood. It strengthens your heart, lungs and other organs, conquering all weaknesses and disorders, and generating vital force.

My latest book, "The Body Beautiful," should be read by every woman, and I will send it to you free. It explodes the fallacy that lack of beauty or health cannot be avoided. In it I explain how every woman can be VIGOROUS, HEALTHY and ATTRACTIVE.

I have practiced what I teach. In childhood I was puny and deformed. I have overcome all weaknesses by my own natural, drugless methods. Millions of people have seen in me a living demonstration of my unique system of health culture and body-building. If you are weak, nervous, fat, thin, unshapely, tired, lacking vitality or in any other respect not at your very best, I can surely be of service to you.

My Guarantee. With my free book, "The Body Beautiful," which is fully illustrated with photographs of myself explaining my system. I give full particulars of my Guarantee Trial Plan, whereby you can test the value of my instruction without risking a single penny.

Send two-cent stamp for "The Body Beautiful" and Trial Plan to-day.
