Does your skin chap quickly?

Then use the following treatment regularly. It will soon increase your skin's power to resist chapping—keep it soft and smooth.

Just before retiring, make a warm-water lather of Woodbury's Facial Soap and apply it to your skin gently. Rinse your face and hands thoroughly first with warm water, then with cold. Whenever possible, rub your face for a few minutes with a piece of ice. Tear out the illustration of the cake below as a reminder to get Woodbury's and begin to-day to use this treatment. In ten days or two weeks you will notice a marked improvement in your skin.

Woodbury's Facial Soap costs 27c a cake. No one hesitates at the price after their first cake.

Woodbury's Facial Soap

For sale by dealers everywhere. Write for sample cake.

For 4c we will send a sample cake. For 10c, samples of Woodbury's Facial Soap, Facial Cream and Facial Powder. Address: The Andrew J. Woodbury Co., Dept. 1, Spring Grove Ave., Cincinnati, Ohio.

Nearly five million cups of coffee

Every morning nearly five million cups of coffee are made within 25 miles of City Hall.

How many of these millions of cups are as good as they ought to be?

How many of these coffee drinkers set their cups down with a sense of satisfaction—how many feel all the vigor that a really good cup of coffee gives? Yet these millions of people know that coffee adds much to their enjoyment of breakfast. How much more

they would enjoy it if the coffee were all that coffee should and can be. Yuban gives an entirely new idea of how good coffee can be.

It is the coffee the greatest coffee merchants selected for their personal use, the one they serve their guests and send out at Christmas to business associates and friends.

Have your grocer send you a package of Yuban today. Give your family a bracing, invigorating cup of coffee for breakfast in the morning. Let them have that full enjoyment really good coffee gives.

IN SANITARY ENVELOPE

4 SIZES—10c.-15c.-25c.-35c.

There is a feeling of individuality and security in the knowledge that no other hands but your own have touched what is so important a part of mid-lady's toilet requisites as a powder puff.

In the HYGIENOL (Guaranteed Sterilized) POWDER PUFF, exclusiveness and individuality are the keynotes. HYGIENOL are French made of finest lamb's wool, daintily ribbed for convenience in using, and each HYGIENOL POWDER PUFF is thoroughly sterilized by special process and sealed in individual sanitary tissue envelope in our own laboratory.

To protect the delicate pores of the face against infection through dangerous skin diseases, which unsanitary powder puffs make possible, insist upon getting HYGIENOL (Guaranteed Sterilized) POWDER PUFFS. Their cost is no greater than the unknown factory made product.
