Regarded by many as the most beautiful masterpiece of sculpture in existence.

"THE CROUCHING VENUS"
"THE WINGED VICTORY" (Set of 2 for Two 1-year Subscriptions, or One 2-year Subscription.)

ADVERTISEMENTS.

Almost Too Good to be True!

and you may have to rub your eyes and read it twice, but it really is true! Your choice of any PAIR of these genuine "Bronzkraft" Book Ends, reproducing famous masterpieces of ancient and modern sculpture, absolutely free, all charges prepaid, with a single year's subscription to *The Craftsman* (excepting the *Winged Victory*, which requires two).

There is no "catch"—no "charges for wrapping and mailing." It is distinctly understood that if either Magazine or Book Ends are not as represented—indeed, if not even finer than you anticipated, your money will be returned and you may send back the Book Ends at our expense.

Or you can see these Book Ends before subscribing, at the Craftsman Building in New York, or the Craftsman Shops in Boston or Washington, and take them with you, or have them sent. Whether you write or call, please do so promptly if you wish them in time for Christmas, either for yourself or as a gift.

Works of Art FREE—for You and Your Friends!

Can you imagine anything better than these Book Ends for a Christmas Gift?—anything more beautiful? Apportion these Book Ends among your friends according to their tastes and bent of mind—they will go into raptures over the exquisite beauty and fitness of these masterpieces—and they will always be the object of admiration on the library table.

And so with *The Craftsman*—you pay a tribute to any friend when you present a subscription to *The Craftsman*, repeatedly called "the most worth-while magazine in America." Each monthly issue is really a book of 150 to 200 pages, with beautifully illustrated articles on home decoration, home building, good taste in furnishing, art, gardening, etc., and in the year to come the recipient will get twelve such books for \$3.00, together with the set of Book Ends immediately.

We will accept not only your own subscription, but subscriptions for your friends; thus for each \$3.00 you send us, you get two Xmas gifts—the Magazine and the Book Ends. We will send both to the same or to separate addresses, as you direct—together with a gift card.

These "Bronzkraft" Book Ends are of solid, heavy composition, 8 in. to 10 in. high, with a rich, verd antique bronze finish, practically indistinguishable from solid bronzes. To really appreciate the generosity of this offer, consult any art dealer as to the value of these works of art. To take advantage of this offer, write at once (mention *N. Y. Times*), or call at

THE CRAFTSMAN, 6 EAST 39TH ST., NEW YORK.

SPECIAL:—This exquisite Bas-relief, "Apollo and the Muses," by the famous sculptor Thorwaldsen, (ivory finish, 10" x 6"), ready to hang on your wall, will be sent FREE, all charges prepaid, as an additional gift, absolutely and unconditionally, with every subscription to *The Craftsman*, \$1.00; also as an additional gift, absolutely and unconditionally, with every three yearly subscriptions sent in together in response to the above Book End offer.

CRAFTSMAN BUILDING, Just off Fifth Ave., on East 39th St.—"The House of a Thousand Gifts"—12 floors filled with unique gifts—every floor a different gift—its own sake. Come and see the Home-builders' Exposition—the Holiday Bazaar—the Children's Playground—lunch or dine in the Craftsman Restaurant.
