### How to rouse a sluggish skin

A dull, sallow, lifeless complexion has several causes. Whatever the cause in your case, your skin needs stimulating. The following treatment is the most effective you can use:

Just before retiring, wash your face and neck with plenty of Woodbury's Facial Soap and hot water. If your skin has been badly neglected, rub a generous lather thoroughly into the pores using an upward and outward motion, until the skin feels somewhat sensitive. After this, rinse well in warm, then in cold water. Then rub your skin for five minutes with a lump of ice and dry carefully.

Woodbury's Facial Soap is the work of an authority on the skin and its needs. This treatment with it cleanses the pores, brings the blood to the face and stimulates the fine muscular fibres of the skin. You can feel the difference the first time you use it—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

**Do this today!** A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.

### Rice with all the nourishment Nature gave it

All rice, as nature produces it, has a natural brown coating which contains the mineral elements your nerves need.

—Try this Recipe

Take a large saucpan with five quarts of water, add a little salt; place saucpan on hottest part of stove so water will continue boiling violently, and sprinkle rice in slowly so as not to stop the boiling. Cook about 45 minutes uncovered, without stirring. Then take out a few grains. If they are soft, the rice is cooked. Drain in colander, set on back of stove until thoroughly dry so grains will fall apart. Serve with cream and sugar for breakfast. Serve as vegetable, with butter or gravy, for dinner.

Comet Natural Brown Rice comes to you with this nutritious coating on, while ordinary rice has been scraped and polished, then coated with glucose and talc until nearly half its nourishing value is gone when you get it.

Comet Natural Brown Rice is cleaned thoroughly by our own sanitary process and is packed in sanitary cartons. It needs no washing.

Get it from your grocer today and try the recipe printed above.

Also ask your grocer about Comet Unkoked Rice.
