New York City The Home Of Beautiful Women

Have Beautiful Hair Use "93"

Retain and improve the appearance of your "crowning glory" by intelligent care and the regular use of Rexall "93" Hair Tonic. The effects of summer dust and perspiration give your hair a dry lustreless appearance—Keep it in a healthy, "live" condition by frequent applications of this dependable tonic.

TWO SIZES, 50c and \$1.00.

☐ New York City is the home of America's most beautiful women.
☐ Blessed with natural rose tints in the early bloom of youth, many a New York matron has retained her exquisite complexion by the careful use of proper toilet requisites.
☐ In New York City may be found more varied types of beauty than in any other city in the world.
☐ Each type finds it necessary to use some reliable toilet preparation as a protection against the ravages of dust, wind and sun.
☐ That Liggett-Riker-Hegeman's is the proper place to procure these articles is proven by the fact that nearly four-fifths of our patrons are beautiful women.

Stars From the Ziegfeld Follies

☐ The beautiful actresses whose pictures are shown above will tell you that their good looks were not "wished" on them, but were obtained by devoting a portion of each day to the care and preservation of the skin.
☐ Many a woman has been able to look younger as she grew older by the careful use of a few of the reliable toilet preparations mentioned in this advertisement.

Protect Your Complexion

At this time of the year, after exposure to salt air, sun and dust, a reliable toilet cream or lotion is indispensable.
