DON'T BUY A VACUUM CLEANER FROM US

Until you get a copy of "How to Select a Vacuum Cleaner." Altogether there are about 75 different kinds of Electric and Hand-power Vacuum Cleaners made in this country. Some are very good, others not so good, and some, by comparison, are very poor. Some are very good for factories and public buildings, but are too expensive and heavy for home use, etc., etc. We carry the whole 75 kinds in stock, good, bad, and indifferent. There is no excuse for buying an inferior kind of cleaner. You need only

ASK OUR ADVICE—
it's free to prospective purchasers.
We also save you money on any make of cleaner you wish to purchase, because we are the largest wholesale and retail dealers in vacuum cleaners in the world.

allowed on any make of cleaner that we recommend.

Prices on Hand-power Cleaners range from \$3.95 to \$15.00. Electric from \$16.75 to \$150.00, and, strange to say, the \$16.75 cleaner is better for home use than the \$150.00 one. This statement proves that our advice is valuable.

We sell on easy payments, and pay express charges anywhere.

OUR MAIL ORDER DEPARTMENT enables you to purchase by mail (no matter where you live) just as conveniently as if you were right in our showrooms.

Our 3500-word booklet, entitled "How to Select a Vacuum Cleaner," is worth many dollars to anyone considering the purchase of a cleaner. Send coupon today for free copy.
