HARVEY W. AND JOHN PRESTON WILEY, SONS AND PURE FOOD EXHIBITS A AND B OF DR. HARVEY W. WILEY, FORMERLY THE GOVERNMENT'S FOOD EXPERT.

Of them Dr. Wiley says: "They eat brown bread, pure milk, good fruits, succulent vegetables, and after three years of age received a little meat. They have not had candy, very little sugar or sweets of any kind except the sugar natural to their food. Their typical meal at nighttime is whole wheat bread with a little pure butter, and a pint each of pure, fresh milk."
