Prepare Now to Save Coal—Put in a "Richardson" System

How to heat your home at low cost—this will be your big problem in household economy all winter. Every pound of coal you burn will mean money. Investigate now how to save it.

Richardson HEATING SYSTEMS Conserve Coal

They mean cheaper but better heat. We can quickly show you how. They are the result of 80 years' experience and study of the problem of low fuel consumption.

We make all types of heating apparatus, Steam, Hot Water, Vapor-Vacuum-Pressure System or Warm Air—and can give you unprejudiced advice as to which is best for your home or building.

"Richardson" Heating Systems are known everywhere for their intensive heat production, long service and economy.

Ask your Architect, Builder or any Richardson & Boynton dealer or call at our show rooms. Write for catalog.
