ON a foundation of nearly a century of satisfaction, ever gaining in favor with New York's most critical women, stand Lord & Taylor prestige and dominance. Our earliest patrons expected from us the most exclusive fashions, accepting with absolute confidence and trust the finest quality and master workmanship as foregone conclusions. The fashionable women of today, the Younger Set as well as their maturer sisters, show us the same deference.

The models shown on this page reveal the fashions for Spring appropriately priced to interest discriminating women everywhere.

Mail orders receive the same careful and prompt attention that would be shown you in person.
