

Compare, at the counter, the straight narrow lines of the ordinary vest with the full cut of Kayser vests. Kayser is cut to the natural lines of the figure.

These features have made it the most popular vest

ADVANTAGES that are plain at a glance cause more women to buy Kayser than buy any other silk vest.

Five more inches of fabric around the hips! Three more inches added to the length! What comfort! The carefully fitted back with the fullness thrown well forward over the bust.

The seams are so flat and smooth. Shoulder straps that do not slip because they are accurately placed. The Kayser silk vest has a style, a trimness, that is delightful.

Thousands of women know that Kayser "Italian" Silk Underwear holds its shape and its finish—its comfort, throughout repeated tubbings. Ask at your favorite store for these beautiful silk garments with the Kayser label.
