FITTING THE NARROW FOOT

WIDTHS AAA, AA & A IN THE REGULAR SIZES AND IN SIZES 7 1/2, 8, 8 1/2 & 9.
Miss E. M. G., of Chattanooga, like many other women all over the country, took advantage of the "ShoeCraft" service as soon as she saw our announcement. She wrote as follows: "I would like also some help with a rather difficult problem—not my own, but my mother's. She has a AAA foot, wears a length about 5 or 5 1-2. She has a very high arch, and long shoes cause her extreme discomfort. Having them made does not seem to make as much difference as one might expect. I am hoping you carry in stock shoes to fit such a foot." She had to hunt no further, because "ShoeCraft" narrow width shoes fitted her mother perfectly.
