Landay Service Is Personal Service

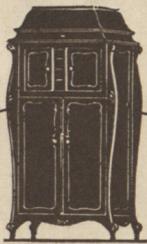

THE human factor is very strong in Landay service. Our patrons like to come here because that "trying-to-please" spirit prevails throughout our four stores.

That satisfaction of dealing with people who know is also found here. Our salesmen are well qualified to serve you, as many of them have made a study of music. They know also the arts of pleasing. They are conscientious and courteous.

At all four Landay stores you will find an atmosphere of quiet and comfort which makes it indeed a pleasure to select a Victrola and Victor records here.

The Victrola and Landay are synonymous with what is best in a musical instrument and in service.

For those who want the best, we suggest the Victrola XVIII at \$300 (mahogany) and \$350 (walnut)—or Victrola XVIII Electric at \$350 and \$400. The cabinet of each of these magnificent instruments is either of matched mahogany, Circassian or American walnut, and of the strongest and most costly construction known in the manufacture of fine furniture. On easy payments if you desire.

VICTROLA XVIII. Easy Payments.

Mlle. Doris, the programme calls her; but in reality she is Doris Faithfull, fair and English. She fills the leading feminine role in "Sadko," one of this season's Ballet Russe novelties.
