VICTROLAS

The Spirit Back of
Landay Victrola Service

IF LANDAY'S merely "sold Victrolas" we would undoubtedly still be in the same upstairs store in which we started 17 years ago.

It is the whole-hearted desire to render service—the best Victrola Service offered anywhere—which is responsible for Landay Leadership.

Our four present large stores, including the new handsome Landay Temple of Victrola Music, are visible evidence of New York's unqualified approval of the "Spirit Back of Landay Victrola Service."

Whether it be the selection of a new Victrola, or the choosing of records for a little Victrola concert at your home, Landay's is able and glad to be of service.

Let us help you get the greatest possible enjoyment from your Victrola.

Special Terms:

\$5 will place this \$100 Victrola with \$5 in records (total \$105) in your home. Balance in small weekly or monthly payments. Other Victrolas \$15 to \$400 on easy terms.

NEUTRALITY vs. SHIPPING
©Underwood & Underwood.

If the shippers and export brokers were asked their opinion of the "Armed Neutrality" policy, with one accord they would say: "Be neutral, if you can; but at any rate, be armed." For them the present tie-up is serious. One of its results can be seen almost anywhere along the Hudson River front. Here at the foot of West 24th Street are barrels of herring piled up awaiting shipment.

Shippers in the West have been asked to send no more goods east until conditions here have been somewhat relieved. They can't, of course, on account of the railroad tie-up—but in the meantime, what's going to become of these carloads of chickens held up in the freight yards?

Barrels and bales and boxes, thousands of them, have made West Street, always congested with traffic, almost impassable. These barrels—we haven't counted them—contain cotton-seed oil to be shipped abroad.
