Pompeian BLOOM

A rouge that lends a soft, natural coloring to the skin; a bloom that cannot be distinguished from nature's own. Do you know that a touch of color in the cheeks deepens the color of the eyes, making blue eyes bluer, and dark eyes darker? Thus Pompeian BLOOM not only brings the beauty of youth and health to the cheeks, but also beautifies the eyes. Light, dark, or medium (the popular shade). In a Vanity Box with French puff and mirror—50 cents.
