

# Justine's 9 o'clock Show

# "OVER THE TOP"

Justine Johnstone  
—Herself.

A half dozen of the stately beauties in the Fan Number of this new musical revue, whose two acts and twelve tableaux are designed solely, as the programme says, "just to pass the time."

Left—Craig Campbell as the Minstrel and four of the golden pheasants in the forest scene of Act Two.

Betty Pierce—one of the quartet of pretty songbirds in the "Justine Johnstone Rag," the catchy tune of this clever show's final scene.

Vivien and Dagmar Oakland, the "Mamie and Sadie" of "The Girl for Me" song in the first act.

Ma-Belle as the Chanticleer and Mary Faton as the Hen Pheasant in their acrobatic pas-de-deux.
