AMPICO *Reproducing Piano*

"Teaching My Children Music"

(A letter from an Ohio lawyer.)

"WE bought our Ampico Reproducing Piano to give our three children an education in music, and it is accomplishing this purpose. They get their education with pleasure, without the drudgery of pumping the instrument, and with perfect results, instead of depending on their musical instincts. To be frank, I have my doubts as to whether my children have any marked musical tendency; at least, to the extent of making them musicians; but under the present arrangement they are getting the best possible education through hearing the playing of great musicians."

"The Ampico is proving a pleasure, not only to my family, but also to those friends whom we are pleased to have enjoy it with us."

You are cordially invited to call at the Ampico Studios to hear for yourself the playing of great pianists reproduced on the Ampico.

The Ampico in the Knabe, Uprights, $1250 & $1350; Grands, $2150.
Haines Bros., Uprights, $975; Grands, $1650;
Franklin, Uprights, $875.

HAVE YOU A SWEETHEART,

Soldiers use Foot-Ease

Son or Brother in training camps in the American Army or Navy? If so, mail him a package of **ALLEN'S FOOT-EASE,** the antiseptic powder to be shaken into the shoes and sprinkled in the foot-bath. The American, British and French troops use Allen's Foot-Ease, because it takes the Friction from the Shoe and freshens the feet. It is the greatest comforter for tired, aching, tender, swollen feet, and gives relief to corns and bunions.

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. Ask your dealer to-day for a 25c. box of Allen's Foot-Ease, and for a 2c. stamp he will mail it for you. What remembrance could be so acceptable?
