The Gift for Graduation

Waterman's Ideal Fountain Pen

THAT Army whose morale is strongest will win the war. Write more cheerful letters—they create morale. The everywhere, everyday-readiness of Waterman's Ideal makes letter writing easy. The smooth, steady writing qualities permit one to write freely as he thinks—without hesitation or irritation. Use the extra daylight hours for writing out of doors. Write with ink. The letters of these historic days are to be kept as heirlooms of the war for humanity. Give *your* boy a Waterman's Ideal before he goes, or get him to write for it from "Over There." Make it easy for *him* to write.

ALLEN'S FOOT-EASE

The Antiseptic Powder to Shake Into Your Shoes

Soldiers use Foot-Ease

And sprinkle in the Foot-Bath. One war relief committee reports, that of all the things sent out in their Comfort Bags or "Kits," Allen's Foot-Ease received the most praise from the soldiers. The American, British and French troops use it, because it takes the Friction from the shoe and freshens the feet.

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. Why not order a dozen packages to-day to mail to your soldier friends in training camps and in the army and navy. Sold by Druggists and Dept. stores everywhere. 25c.
